About The Secret Drawer

The Secret Drawer was established over 20 years ago by award winning cabinetmaker Richard Mason and has become one of the region's leading designers and makers of bespoke interiors. We create interiors of the highest quality for

every room of the house, including kitchens, bedrooms and bathrooms, to freestanding furniture and interior mouldings. Our attention is always on the detail through informed design, precision craftsmanship and quality materials.

MOULD SETS

Each mould set includes architrave, skirting and if appropriate a plinth block (all plinth blocks are interchangeable). All mouldings can be made to alternative dimensions. We can also match existing mouldings if required.

1

Victorian style mould set combining simple ogee, bead and cove mouldings. Shown here with a coved plinth block.

2

Small scale Georgian style mould set, featuring a quirk ogee with astragal and coves perfect for lower ceiling heights. Shown without a plinth block.

4

Large scale Georgian mould set with a quirk ogee, astragals beads and a flat plinth block.

5

Clean, small scale mould set incorporating beads and scotias, suitable for any style of home. Shown without a plinth block.

7

Classic farmhouse style mould set, Taurus skirting with a classic Victorian architrave using a quirk ogee and side bead. Shown here with a bevelled plinth block.

8

Larger version of No. 5, suited to larger scale rooms. Shown here with a bevelled plinth block.

3

Simple, well-proportioned mould set, composed of 3 different bevelled rebates for a contemporary look or Art Deco style homes. Matching plinth blocks available.

6

Elegant, Georgian mould set with similar mouldings to No. 4.

9

Large mould set featuring lots of shadow lines, using astragal moulds and coves. Shown here with large bevelled plinth block.

PICTURE & DADO RAIL

10

Dado rail using square ovolo with a cove and quirked bead.

11

Complex Georgian style picture rail, using reverse ogees with astragal, cove and side beads.

12

Small scale Victorian style dado, with common and reverse ogees, astragal and quirk beads.

13

Large scale Victorian style dado, using similar moulds to No. 12 dado rail.

14

Bolection mould, designed to go around panelling or to be used as a dado incorporating square ovolo with coves and a quirked bead.

Moulding Design

Over the years we've developed our collection of interior mouldings to incorporate the best of classic and modern design. Working with the architectural features of a property, mouldings add character and depth, tying design elements together.

Showroom Design Displays

Each moulding style in our collection can be mixed and matched to achieve the look best suited to your project. All designs are on display in the Skipton and Ilkley showroom and samples available on request.

Bespoke Mouldings

We can also match any existing interior moulding - please ask for details.

Home Fitting

All mouldings are supplied ready for home fitting. Choose from solid tulipwood, which is supplied finished with one coat of primer or solid oak or walnut, which is supplied unfinished.

Plaster Coving and Period Doors

We have various examples in the showrooms - please ask for details.

Prices

Please see additional sheet. Mouldings are available to purchase by the metre or unit.

How to Order and Purchase

Orders can be made over the phone, email or at both our Skipton and Ilkley showrooms. Moulding orders can be collected from our Skipton workshop or delivery can be arranged to UK mainland addresses (subject to delivery charges). Orders typically take 2 to 4 weeks from order to pick up / delivery.
